Accreditation of Professional Development Points

NZCAM 2008 Conference has been endorsed by the Royal New Zealand College of General Practitioners (RNZCGP) and has been approved for up to 19 hours for General Practice Education Programme Stage 2 (formerly AVE) and Maintenance of Professional Standards (MOPS) purposes.

In association with the programme, an industry exhibition will be held for delegates to view during catering breaks.

This programme is correct at the time of printing. Please check the website for programme updates –
